Notification of registration of handler(s) of Fair for Life products

Dear client,

We herewith have the pleasure to inform you on your registration as handler of Fair for Life products.

The following activities are registered and can be marketed by your company with reference to Fair for Life.

Valid until:	30.06.2024
--------------	------------

<u>Product(s)</u>	<u>Activities</u>
n.a.	warehousing, forwarding and customs

Please inform us immediately of any changes regarding the handling of certified products by updating the Registration Form.

IMPORTANT:

You may only use the seal or refer to certified status of the handled products for the sole purpose of ensuring product traceability. The reference may only be displayed on transaction documents such as wholesale labels, technical datasheets, instructions, invoices, delivery receipts etc. issued exclusively within the certified supply-chain. You may not communicate information externally about the registration / scheme, except as permitted in Annex III.

We thank you for your cooperation, and we would be pleased to answer any questions you may have.
